## The AV Library in Online!

The synod's resource center audio visual library is now online!

Thanks to you, everyone with online capabilities can explore the wealth of resources in the synod's AV library.

Are you looking for a movie to show the youth group or your church council or a Sunday school class? Want to see what video series are available for your adult small groups? Need ideas for catechetical camp?

Then take a virtual tour of the AV library at the synod office – and request videos you would like to use.

Here's how it works. Go to the synod website ([www.godslove.org](http://www.godslove.org)) and point your mouse to "Resources." When the menu drops down, click on "Synod AV Library."

Click on the hyperlink on that page and it will take you to our AV search page.

The only cost for borrowing the synod's resources is \$3 to cover shipping costs.

It's quite a deal!

And it's thanks to you and your gifts to synod benevolence that make this possible.

Thank you!
