## Kids Experience God's Amazing Creation

Thanks to you, youth experience the awesome power of the Spirit by living and playing together with friends in the midst of God's amazing creation.

Campers spend time swimming, boating, hiking, worshipping, playing games, discussing their faith, camping, doing arts and crafts, learning about creation, and singing and roasting marshmallows around the campfire.

Bear Creek campers fill their days with discovery, adventure, and so much fun they won't even think about home or computer games...at least for a little while!

Bear Creek's program changes each year, but it is always based on experiencing the Gospel that is talked about in Sunday church school. This isn't Sunday school under a tree. It's the opportunity to *live* that life and to celebrate the joy and personal growth that can occur in this fertile context.

Thanks to your support through your benevolence contributions, this outdoor ministry program reaches out to children from all life situations and environments. Thanks to you, kids experience God's amazing creation.
