What Do Mission Support Dollars Do in the Northeastern Pennsylvania Synod in 2007?

Our vision of people rooted, connected, sent, and transformed calls us to respond to the issues that confront us. In faithful response to God's action in our lives, we name these priorities in our life together.

- We will **deepen our relationship** with God.
- We will **renew our passion** for sharing the good news.
- We will **strengthen the connections** among people and communities.
- We will **develop leaders** for a new church in a new world.

Thanks to you, we are deepening our relationship with God.
